

## Poster Presentations (all Bourn Hall)

<b>2019</b>	There is significant unexplained inter-cycle variation in ovarian performance during IVF treatment	Papathanasiou, Athanasios; Mawal, Nausheen; Snell, Phil	Poster presentation BFS/ACE Conference 2019, Birmingham
<b>2019</b>	The risk of 'de novo' poor ovarian response during repeat IVF: Results of an externally validated prediction model based on more than 4,000 women	Papathanasiou, Athanasios; Wade, Emily; Mawal, Nausheen; Cant, Annie	Oral presentation BFS/ACE Conference 2019, Birmingham
<b>2018</b>	The role of elective single embryo transfer (eSET) during frozen embryo treatments	Papathanasiou, Athanasios; Mawal, Nausheen; Vijayalakshmi, Babbur; Mauro, Valentina; Prasannan-nair, Chhaya; Mathews, Thomas	Poster presentation BFS/ACE Conference 2018, Liverpool
<b>2018</b>	The under-performance of overweight women during IVF is likely treatment-dependent	Papathanasiou, Athanasios; Mawal, Nausheen; Mauro, Valentina; Prasannan-nair, Chhaya; Vijayalakshmi, Babbur; Mathews, Thomas	Oral presentation BFS/ACE conference 2018, Liverpool
<b>2017</b>	Comparison of 2 media- dual culture systems best practice for ART?	Davidson, O., Snell, P., McGrane, M., Oakley, R., Shakily, V., Blayney, M.,	Poster presentation ACE Conference Edinburgh 2017
<b>2014</b>	ICS 21 years on: Is there still room for improvement?	Baker CJ, Snell P, Simons R, Shakily V, Blayney ML	Poster Presentation, ACE Conference Sheffield
<b>2014</b>	Comparison of birthweight after culture of embryos in 2 different culture media	Wilson B, Watson A, Blayney ML	Poster Presentation, ACE Conference Sheffield
<b>2013</b>	Evaluation of a new perm selection medium	Walker L, Blayney ML, Shakily V, Snell P, Verwoerd G	Poster Presentation, ACE Conference Liverpool
<b>2013</b>	Optimizing culture in the laboratory: does uninterrupted culture of embryos from D3-5 impact upon embryo development and treatment outcome?	Wilson B, Snell P, Blayney ML, Shakily V	Poster Presentation, ACE Conference Liverpool

# Bourn Hall

FERTILITY CLINIC

---

<b>2011</b>	Investigating ART outcomes of obstructive and non obstructive azoospermia	Watson, A., Blayney, M., Snell, P., Shakily, V., Diakos, E	Poster Presentation, ACE Conference Dublin
<b>2011</b>	Optimization of pregnancy rates from single embryo transfer; a retrospective analysis of 2 commercially sequential media systems.	W Morely, K., Blayney, M., Shakily, V., Snell, P., Verwoerd, G	Poster Presentation, ACE Conference Dublin
